

Town Crier of Wilmington

16th YEAR - NO. 16

WILMINGTON, MASS., THURSDAY, APRIL 22, 1971

FIFTEEN CENTS

APARTMENT ARTICLE IS BEING PREPARED

The Planning Board may have an article for the establishment of Garden Apartment Zoning in Wilmington, when it meets with the Board of Selectmen next Monday, in the Town Hall.

Two proposals have been made, and were discussed Tuesday night in the Planning Board. One of these, prepared by Town Manager Sterling Morris, consists of the article submitted for the last Town Meeting by Attorney Joseph F. Courtney, together with the amendments prepared by the Planning Board.

Morris had the two combined, with the amendments put in capital letters, for easier identification.

The other article has been prepared by Professor Charles Eliot, consultant to the Planning Board, and then cut down in size by Zane Bower, newest member of the Planning Board. Bower, Tuesday night, had six pages prepared, but still incomplete, out of a proposal by Professor that was 24 or more pages in length. Bower, during the discussion, proposed to continue work on his abridged version, and hoped to have it finished in time to send to the Town Manager on Thursday morning.

The article prepared by Professor Eliot is understood to be more encompassing, in that it will include such types of zoning as Planned Unit Development, a type of zoning now undergoing discussion in the State House, as well as perhaps other proposals, along with some explanatory matter. The work that Mr. Bower seems to be doing is to cut down the professor's proposal, and add amendments that he and/or the Planning Board feel are needed.

The discussion on Tuesday evening was with three members of the Planning Board, chairman, Mort Grant, and Bower, and past-chairman, Bill Hooper. It was a long lasting discussion, without

any particular order or sequence. Bower, at one time, declared that he was satisfied with a minimum area of 200,000 square feet, which was proposed by Courtney.

Grant, at another time, said that "large numbers of people in this town" will want to study the proposals, and then come up with "an intelligent decision".

He went on to say that either the Town Manager's proposal, or Eliot's proposal, or possibly some compromise, will be presented to the next Town Meeting. "If I have to go out and get 10 signatures myself".

Grant thought that the proposals by Prof. Eliot were the best to be considered, and the Town Manager looking through Bower's abridged

version said, "These aren't bad, the only thing to have to put in are the amendments".

The three Planning Board members agreed that if possible they would get a proposal before the Selectmen Monday evening, but they wanted to look over and discuss their own final version first. They also agreed that the Selectmen should be able to make corrections or proposals, and that the idea of the Selectmen, as to a public meeting, in addition to a formal hearing, had merit.

Town Manager Morris told them that the only thing people are thinking of, at this time, is a Garden Apartment law. He was told by Grant that the Planning Board has five reports from its former

assistant planner, Denis Hazen, "which say they (Garden Apartments) will make money for the town", and that the type of apartment being considered would be the kind that would attract such individuals as executives and engineers.

After this Grant went on to say "we don't need Garden Apartments in Wilmington". To this Bower said "unfortunately, that's not so". When the 701 Program is available, Bower said, it will show a "definite need". The 701 Program is a survey by the Planning Board of the needs of Wilmington, on which Prof. Eliot has been working for the past several years.

It Foams! Soap Powder? Detergents? or maybe Home Brew?

The Battle of Waterloo was won, so the Duke of Wellington averred, on the playing fields of Eton.

The Duke should pay a visit to the new Shawsheen School in Wilmington, and observe what happens to a playing field there.

A white froth comes from the drainpipe at the lower end of the field. There isn't much - and one does not notice until one looks downstream, on the other side of Shawsheen Avenue.

The little white spots, floating downstream, on the right side of the picture above, are bits of froth that comes from below the Shawsheen Ave. school playing ground. They collect into large white globs of froth, on the other side of Shawsheen Avenue (below).

Paul Bielecki flies a Med-A-Vac

Early in December, C.W.O.2, Paul M. Bielecki, son of Mr. and Mrs. Michael Bielecki of Garden Ave., was reassigned to duty in Vietnam. During this tour of duty he is a Medical Evacuation Pilot - airlifting U.S. Soldiers and Vietnam civilians as a team member of "Dust off". Paul graduated from Wilmington High School in 1966 and was employed by R.C.A. in Burlington. He was accepted for the Army's Warrant Officer Train-

High Schoolers TRIP TO FRANCE

PARIS IN THE SPRING! Four young ladies, part of the group now in France, shown at a pre-trip discussion, last Wednesday evening, in the Roman House. L to R: Nancy Ferguson, Debbie Romanski, Martha Rounds and Ann London.

18 High School students are enjoying an eight day trip to France - Paris, Versailles, and the French countryside, during their spring vacation.

They left Wilmington last Friday at 2 p.m. to embark in an Icelandic Airlines flight to Luxembourg, with a stop-over at Keflavik, Iceland. The plane departed New York Friday at 8:30 p.m., to arrive in Luxembourg next day at 6 a.m. From there the youngsters bussed directly to Paris.

The eight day vacation is in charge of two of Wilmington's French teachers, Miss Lydia Haitas of Jamaica Plain, and Miss Louise Bocchino of Stoneham. Also making the trip is Mrs. Eva Kanchuga, the head of the Home Economics Department of Wilmington High School.

Monday was scheduled for a full day in Paris, with a trip to Versailles and Malmaison on Tuesday. Yesterday a trip through the French countryside was scheduled, via Fontainebleau, to the country town of Avallon.

Today the students are again in Paris, with a trip on the River Seine being scheduled for this evening, on one of the small boats that ply that river. Tomorrow will see a leisurely drive back to Luxembourg, where the last night will be spent in the historic Chateau D'Ansembourg.

The students are scheduled to fly back to the United States via Icelandic Airlines on Saturday, arriving back in New York at 5:15 p.m. and in Wilmington at about 10 p.m.

Making the trip are: Richard Allen, Rosemarie Bransfield, Robert Butters, Jeanne Cleary, Margie Coulton, Steve Coursey, Marijane Cunningham, Doreen Deschenes, Suzanne Doucette, Nancy Ferguson, Janis Halpin, Michael Harrington, Bruce Hill, Michele Lombard, Ann London, Cathy McPhee, Deborah Romanski, and Martha Rounds. All are High School sophomores or juniors, except two freshmen, Robert Butters and Marijane Cunningham.

Gold Medal Winner

Fairmeadow Road was awarded a Gold Medal, Sunday at M.I.T. for his exhibit "Freeze Drying". The exhibit had won a third prize in the Wilmington High School Science Fair, and a second prize at Lowell Technorama. Michael, who got most of the materials used in his exhibit from the Wilmington Town Dump (which he calls the "Wilmington Supply House") now has his project down cellar, in his parents home, where he is busy improving the efficiency of his freeze dryer. He is an Eagle Scout, as well, a member of Troop 58 at Saint Dorothy's Church.

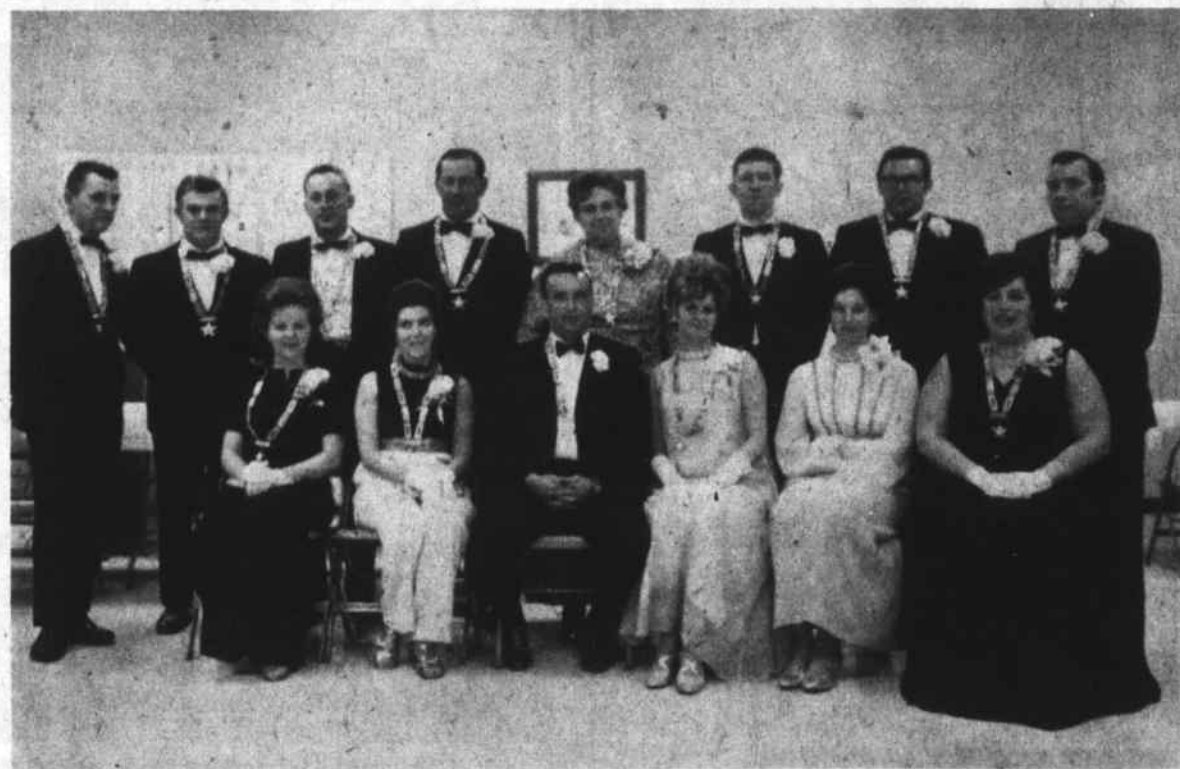

Michael S. Kaminski, sophomore in Wilmington High School, is the first Wilmington High student to have been awarded a Gold Medal, at the Massachusetts State Science Fair. The 15 year old son of Mr. and Mrs. Walter Kaminski of 23

B. C. vs Lowell Tech**Lacrosse on Saturday**

The Boston College-Lowell Tech. lacrosse game is Saturday at 10 a.m. at the North Intermediate School field. This game will be the first ever to be played in Wilmington, although lacrosse has a proud history. It is the official national sport of Canada and an Olympic sport during the 1930's. Also there was professional lacrosse played in Canada and England with 70 teams in 6 leagues.

It is the native game of the American Indians used for both recreation and training for war. The game was popularly called "bagattaway" by the Indians but one tribe referred to it as "the little brother of war".

The exact origin of the game is lost in the obscurity that sur-

rounds the early history of the Indians. However, one story is told of the first game witnessed by white men. The Ottawas, under their chief, Pontiac, invited the garrison of Fort Michilmackinac to watch a game on June 4, 1763 in honor of the English King's birthday. During the game, the ball was flipped over the wall into the fort. The gates of the fort were opened to allow the game to continue whereupon, the Indians rushed in and took over the fort. (La-double-crosse).

The lacrosse field had evolved into a standard 110 yds. by 60 yds. The goals, 6 feet square, are surrounded by a nine foot circle, or crease, which no offensive player may enter. The goals are set out from the end-

line to allow play to continue behind them as in hockey.

Skills to look for:

1. The ability of a team to pick up ground balls, especially in a crowd. This shows a mastering of fundamentals.
2. The ability to "clear the ball" from the defensive half of the field consistently.
3. Notice the plays that the attackmen use. Is someone balking on the play in case of an errant pass?
4. The ability to control the ball in the attack half of the field by working for the best shot.

Trackmen Lose a Pair

The Wildcat track squad suf-

fered defeat in its recent outings, bowing to Andover, 97-25 on Thursday and to Billerica on Monday by a score of 72½-49½.

In the Andover dual meet Carl Cotter set a new Wilmington High record in the discus with a throw of 156'-1½" against a strong wind. The old record was 151'-4". Carl also gained a first in the shot put, while Mike Esposito was the only other Wildcat to finish first in any other event (10.5 in the dash and 23.6 in the 220). The other points were made by Larry Harrington (3rd in 440), Rick Keane (3rd in 2-mile) and Bill Badiali (3rd in triple jump and a tie for second in the 100 yd. low hurdles).

Against the Billerica Indians, Esposito finished first in three events, the long jump, 100 and 220, while Cotter gained first place points in the shot put and discus. Larry Harrington gained a first in the 400 with a good time of 52.4. Wilmington won the relay event, but the lack of depth again was evident as each school picked up seven first place points, while the Wildcats were out scored 37½ to 14½ in second and third place finishes.

Coach Kelley's boys hope to get back on the winning track this morning at the expense of Burlington. The dual meet is listed for 10 o'clock at the Red Devils track. The boys return home next Monday for a home meet with No. Andover.

Lancers Drop Opener 4-3

The Wilmington Lancers of the Boston Area Youth Soccer League dropped their seasonal opener last Sunday afternoon 4-3 to the Weston Bobcats.

The Lancers played a fine first half, opening up an early 3-1 lead, but succumbed to the elements in the second half giving up three goals while being shut out.

Bob Swisher scored the initial goal of the game after taking a pass from Mark Kalkanajian on a shot to the right corner of the Weston goalie. The visitors tied the score on a penalty shot, several minutes later. Weston was to be awarded three other penalty kicks in the game, all three of these were instrumental to the Wilmington down fall.

The Lancers regained the lead moments later on Kalkanajian's first seasonal goal. Frank Simmons assisted on this score. Rick Lipski scored an unassisted goal late in the half to provide the Lancers with a two goal half time lead.

As the second half began, the weather conditions became worse and eventually led to problems. Players slipped on the wet turf causing several penalties. West narrowed the lead to 3-2 when goalie Tim Swisher slipped and was beaten from close range. A penalty kick tied the game a few minutes later and the visitors

went ahead late in the second half on a shot which resulted from confusion in front of the Lancers goal.

Goalie Swisher did an outstanding job in goal for Wilmington, stopping 19 shots despite the adverse weather conditions.

The team, now officially known as the Lancers will try to get into the win column this Sunday

afternoon as they travel to Wellesley field, off Route 9. Take Route 9 west, take "U" turn at West Gate in the highway to Oak

St., behind the junior high school. The name the team contest was won by Larry Burke of Harris St. He was awarded a soccer ball.

Wildcat Nine Roared Back

The varsity stopped Tewksbury, 5-2 behind the five-hit pitching of Bill Gustus last Thursday for its initial seasonal win and blitz defending conference champions

Billerica, 3-0 on Monday to move within one game of the top. Yesterday the Wildcats traveled to Burlington for an encounter with the winless Red Devils. Tomorrow the boys play another road encounter at Methuen and return home next Monday with a non-league game against Austin Prep before hitting the road again playing at No. Andover.

In the win over the Redmen, Jim Irwin's sixth inning home run broke up a 2-2 tie to provide the margin of victory, while Tom Beaton socked a two run homer in the seventh inning to put the frosting in the cake. Gustus knocked in the first two Wildcat runs with a bases loaded single in the fourth inning to tie the game.

Dick Gearty spun a neat five-hitter while white washing the Indians. The Wildcats scored all of their runs in the bottom of the third on three hits, two walks, and three Billerica errors. Gearty led the inning with a single, but was forced at second by Paul Olson. Hal Stewart followed with a single and Olson scored as the Indian center fielder erred on the play. Stewart scored on an error by the Billerica catcher. Beaton then was the hitting star in the win reached on another error, but he over Tewksbury, driving in four was forced at second by Davenport on three hits. John Gillis Stewart. The Billerica hurler slammed a grand slam homer to then walked Mirisola and Bibeau pace the younger Wildcats win to load the bases. The Indians over Billerica changed pitchers at this point and

Jim Irwin greeted the new hurler with a single to score Stewart with the third run of the inning. Gustus bounced out to end the inning.

The Wildcats played very well defensively behind Gearty in this game. In the fifth inning Tom Mirisola threw out a Billerica runner attempting to make third on a hit and run. In the sixth a neat double play made by second baseman Hal Stewart and first baseman Bill Gustus snuffed out a potential Billerica rally. And in the seventh Mirisola threw out another runner attempting to make third base and a game ending double play. Beaton to Stewart to Gustus put the finishing touches to an excellent team effort.

WILDCAT TALES.....Gustus pitched a strong game in posting his initial win of the season against the Redmen, allowing only two hits over the last four innings. Billy walked three and struck out seven. Gearty did walk a batter in his shut-out win, while whiffing six. Sophomore Paul Olson took over the catching reins in the Billerica game after junior, Bob Noel caught the first two encounters. The Jayvees shut-out Tewksbury 8-0 and Billerica, 7-0 behind the excellent pitching of respected Phil Morrissey for their first art scored on an error by the Billerica catcher. Beaton then was the hitting star in the win reached on another error, but he over Tewksbury, driving in four was forced at second by Davenport on three hits. John Gillis Stewart. The Billerica hurler slammed a grand slam homer to then walked Mirisola and Bibeau pace the younger Wildcats win to load the bases. The Indians over Billerica changed pitchers at this point and

Smallpox Vaccination Clinics

The Wilmington Board of Health Smallpox Vaccination Clinics are to be held in the Villanova Hall, next Tuesday and Thursday, from 9 to 10 a.m. There will be no charge.

Any child who has never been immunized against smallpox, and who is entering either kindergarten or grade one this year should be immunized.

Tuesday those having their last name begin A thru M will be immunized. Those with initials beginning N thru Z will be immunized on Thursday.

BRIDAL SHOWER

A surprise bridal shower honoring Louise M. Baker was given by the bridesmaids on Friday evening, April 16th. It was held at the home of Pamela Bacon, 114 Andover Street.

Approximately 30 guests were on hand to join in the festivities. Louise will marry Leonard Bryand Jr. on July 11th.

WINNERS OF THE WILMINGTON COUNCIL OF CHURCHES' Ecumenical Census Committee poster and slogan contest are shown above with their entries. Left, Susan Newell, 7, of Jordan Road, Billerica and Gale Boyden of Nichols Street. Both girls attend St. Dorothy's School of Religion. Their prizes were awarded to them by a member of the Ecumenical Census Committee on April 16th.

PAUL CURTIN FELLOW OF MASS. SOCIETY OF CPAs

Paul J. Curtin of Salem Street has been elected Fellow of the Mass. Society of Certified Public Accountants. He is with the CPA firm of Harris, Kerr, Foster & Co. in Boston. Mr. Curtin is a graduate of Bentley College.

The Mass. Society of CPAs is an organization of 2700 members founded in 1900 to promote and maintain the high standards of accounting.

Mr. Curtin is also a member of the American Institute of CPAs and the National Assn. of Accountants and is married to the former Sandra Staffier of Medford. They have one daughter, Suzanne.

High School Easter Bunnies

Twelve students from Wilmington High School were Easter Bunnies for patients at Tewksbury Hospital Easter Week. The students were members of the Future Nurses Club at the School and had made up gaily wrapped baskets containing personal items and fruit for the elderly patients.

The students visited with the ladies for the afternoon and brightened what might have been just another ordinary day for them.

While the Future Nurses were planning their trip to Tewksbury, other students were also planning to go to Tewksbury in a different way. These students were planning a "Walk for Development" on May 9th. The Walk is sponsored by the Young World Development, a part of the American Freedom from Hunger Foundation in Washington, D.C.

The purpose of the Walk is to raise funds for self-help poverty projects in the United States and abroad. It also provides people a chance to demonstrate their concern for the poor and to make a public issue of the need for a National effort to combat hunger and poverty throughout the world. This project has been carried out all over the world with 300

walks already completed in the United States and 40 in Mass.

The route for those participating will be Billerica, Wilmington, Tewksbury to Lowell. The Route through Wilmington will follow Route 62 from Burlington to Wilmington Center and proceed from the Center on Route 38 to Tewksbury.

The money raised from the Walk will be divided for self-help projects overseas and in the U.S. Some projects being helped currently are Dairy Reproduction centers in Guatemala and the Dominican Republic and locally, breakfast programs for kindergartners at the Lowell

Spanish Center.

The students are looking for people to participate and others to sponsor the participants. To participate a person can do one of the following: walk, work at the checkpoints, help prepare food and drive. To sponsor a walker a pledge is given to donate a number of cents or dollars to a walker for each mile successfully completed.

The students sponsoring this project and who can be contacted for more information are: Beth Higley, Martha Rounds, Steve Coursey, Jeanne Cleary, Debbie Romanski, Bill Manning and Gary Smith.

In Your Service At The State House

Senator Ronald C. MacKenzie

Morality Constitutionality and Cost

Among the many shafts waiting to impale over zealous lawmakers, the most difficult to avoid are the three labeled morality, constitutionality and cost. Bills dealing with any one of these factors can be difficult. Bills dealing with two or more are deadly. At the State House we are currently encountering several bills in the latter category. The issues concerned are abortion, birth control and public aid to parochial schools. People's feelings, including those of legislators, tend to be very emotional on these subjects. They involve articles of personal faith. Compromise, a lawmakers most useful tool, is often impossible.

Why Do It? People Need Help!

Why does the General Court deal with these issues? Because it has to. People are being hurt and need help. Unfortunately these instances, the provision of many forms of meaningful help tends to violate other persons honest convictions regarding morality, legality or financial sanity.

Public Aid To Parochial Schools Difficult Legislation

I would like in this column to discuss the problems associated with providing public aid to parochial schools. This is, admittedly, the least controversial of the subjects mentioned previously. It may, however, be the most difficult on which to pass meaningful legislation. Also, discussion of this issue is particularly timely since the May 1st Constitutional Convention which will deal with it is close at hand.

34 Out Of 50 States Give It

Public aid to private schools, in most cases parochial schools, is currently being provided in some form in 34 out of 50 states. Although such aid is believed by many judicial authorities to be in conflict with constitutional guarantees regarding separation of church and state it is still being given. The impact of closure of the nation's parochial schools in which 10 percent of our children are being educated, is sufficiently fearsome to have caused many state legislatures to act in the face of the possibility of Supreme Court reversal of the fruits of their labor. Ten percent is a national figure. In Massachusetts, the ratio is slightly above

The best reason to borrow is usually a personal one.

Your special reason might be that you want to take advantage of an unusual bargain. Or consolidate bills. Or cover an unexpected expense. Or purchase a needed appliance.

Whatever your reason, your Personal Banker will probably agree it's a worthwhile one. And get you a Personal Loan quickly — very likely, within 24 hours. And Life Insurance Protection is available.

Most important, your Personal Banker will help you choose the loan with a payment plan that's tailored to your budget. It can even be spread over 24 monthly payments to make it easier to repay.

Or, your Personal Banker might explain that your special needs would best be met by a different type of loan: tuition aid, auto or home improvement, for example. These loans have payment plans that give you even longer periods of time to repay. Naturally, your Personal Banker will gladly arrange such a loan for you just as quickly.

When you have a Personal Banker, you have someone who's sure to recommend the move that's best for you because he understands your entire financial situation. Someone who can solve present problems — and help you plan a sound future.

Whenever you need money, advice or both, turn to the man who's an expert on banking — and on your specific financial needs.

Free Camping Available

The Wilmington Conservation Commission is again accepting applications for the Massachusetts Junior Conservation Camp to be held the first two weeks in July.

The purpose of the two-week camp is to train the youths selected to appreciate our natural resources and to use them wisely. Any boy between the ages of 14 and 17 who demonstrates an interest in outdoor programs compatible with the aims of the

conservation is eligible for consideration. Two Wilmington boys will be selected by the Conservation Commission.

Application should be made by a written notification of interest to Dave Townley, 41 Hopkins Street, and is due by April 30th.

A personal interview with the Commission will be arranged at a later date. Priority will be given to those without previous Conservation Camp experience.

LEARNING DISABILITIES EXHIBIT AT LIBRARY

Beginning on April 22nd and continuing for ten days, there is to be an exhibit at the public library which will better acquaint those who view it with the problems of the learning disabled child.

This child has average or better than average intelligence, but has difficulty learning due to a disorder in one or more of the processes involved in understanding or in using spoken and written language. These may include disorders of listening, thinking, talking, reading, writing, spelling or arithmetic.

At present there are fifty children in our schools being tutored for learning disabilities, and the program will be expanded in the fall.

In conjunction with the exhibit, a movie entitled, "Early Recognition of Learning Disabilities," will be shown in Wilmington in the near future.

Wilmington mourns the Rev. Edmund C. Croke

The gentle and beloved Rev. Edmund C. Croke, pastor of St. Thomas Church died yesterday evening, in the Rectory of the Church.

He had had dinner, and at 6:30 p.m. went upstairs to his room. The housekeeper, Mrs. Pauline Waisnor, had occasion to go upstairs at 7:30 and discovered him, on the floor of his bedroom. Dr. Ralph LaPore was called, but it was too late.

The last photograph of the Rev. Fr. Croke by the Town Crier, taken a week ago last night, at the High School National Honor Society banquet, in the North School.

Fr. Croke came to St. Thomas Parish about 1954 while old St. Thomas was still a part of the church. He was, in those years, a leader of all people, not only those of his faith, and was one of the more prominent clergymen in the promotion of ecumenicity in Wilmington.

A highlight of his service in Wilmington was the celebration of the 50th anniversary of St. Thomas Church, on Oct. 24, 1969. He was the principal celebrant in the celebration of six priests, one of who was his brother Thomas, of the Our Lady of Good Council Church of Quincy. His Eminence, the late Archbishop, Cardinal Richard Cushing was one of the clergymen who participated in the celebration.

No details have been made yet, as the Town Crier goes to press, as to the funeral arrangements.

In addition to his brother, Fr. Croke is survived by three sisters, Anna Croke and Margaret Quirk, of Belmont and a sister Julia, whose address is not known to this paper.

INSURANCE INSIGHTS

By Lloyd Bender

LIMITED POLICIES

Are you familiar with limited policies?

Those who frequently travel by air are familiar with limited policies. They are sold in automatic vending machines in almost all airports. When marketed this way, anyone can purchase them.

Generally speaking, the contract must be signed by the one wanting to be insured. The applicant completes the information while the policy is still in the machine. This makes both an original and a duplicate. Put your money in, press a button, and you're insured!

The contracts are usually available from \$5,000 up to \$50,000 or more.

This contract was developed at the request of the airlines. People are inclined to feel that there is an extra hazard in traveling. This was especially true in the early days of aviation.

Watch Next Week For: "cast insurance"

We are aware of all forms of insurance protection at THE BENDER AGENCY whether it is basic financial needs or your children's education. Individual circumstances dictate the type of policy to buy. See THE BENDER AGENCY for your individual needs at 380 Main St. Open 8:30 to 5:00 Monday - Friday, Thursday evenings till 9:00 and Saturday 8:30 to noon for your convenience.

Five hours to Concord

Scientist, corner of Lowell and Sanborn Streets at 8 p.m.

Miss Tuttle is a native of California and a graduate of San Diego State College. She taught school in the United States and then moved to Europe, where she lived and worked for 12 years. During that time she served as a Christian Science Minister for the Armed Services, and Regional Assistant for Christian Science college organizations. She entered the public healing ministry of Christian Science in 1964 while living in Copenhagen, Den.

When the Wilmington Minute Men marched, on April 19, 1775, the distance they traveled, before they got into battle with the British at Meriam's Corner, according to one authority, (a former captain of the re-constituted company) was about 42 miles. It was, of course, over the country roads of that day.

Sgt. Bruce Belanson, Water Bearer Willis Whalen and Private Vernon Coville started from the Wilmington Common at 4:25 a.m. Monday, and marched over newer roads for 21 miles (approximately half the distance) to Concord, arriving at 9:30 a.m., in plenty of time to take part in the Concord Day Parade. They were in fine fettle, and marched the full length of the parade with the Wilmington Company.

The three men had Guidon, muskets, and full canteens, and paused at the graveside of Capt. Cadawallader Ford to leave a taunting sign to their comrades, who would be riding to Concord later in the morning. They stepped off at a brisk pace, and when they arrived at the Burlington - Bedford line, they were served refreshments, under, so they say, an apple tree.

The journey, they say, was uneventful, and then with a twinkle in the eye, they add "except for the Connecticut Volunteer". Who that person was is not known, but he joined the Wilmington Minute Men in Bedford, and marched the last three or four miles to Concord. And they way the Wilmington Minute Men don't talk about him - he might have been a Tory!!

**Legion Auxiliary
Fiftieth Anniversary**

It was just about the nicest party in fifty years, when the ladies of the American Legion Auxiliary and their husbands and guests gathered to celebrate its fiftieth birthday, last Saturday at the Legion Hall.

In the first place, it was a money maker. Rep. Fred F. Cain declared that any caterer would have charged \$10 for such a menu: Beef Straganoff with Noodles, Shrimp Creole with Rice; Lasagna, Tossed Salad, Hot Rolls, Coffee, Ice Cream with Strawberries and Cookies. With about 70 guests, who saved money at \$3 a ticket, the revenues may be estimated at about \$200, and the costs - \$60!

THE UNEXPECTED GUEST: With Senior Vice Commander, Bob Brown of 42 Brand Avenue. The pigeon did not appreciate the proffer of a ticket from Ann Knowlton.

Clara Fougere of Medford and Mrs. Lulie Marr of Randolph, Maine.

GROSS: Andrea Evelyn, second daughter to Mr. and Mrs. John Gross of 9 Walcott St., Natick, on March 30th at Winchester Hospital.

Grandparents include: Mr. and Mrs. Albert Allard of Cedarcrest Road and Mr. and Mrs. John Gross of Cambridge.

BISHOP: Lauren Beth to Mr. and Mrs. Reginald Bishop, Jr. of 42 West Street on April 14, at Melrose-Wakefield Hospital.

Grandparents are: Mr. and Mrs. Robert Howe of 42 West Street and Mr. and Mrs. Reginald Bishop of 8 Marion Street.

PAGLIARULO: Adam David, to Mr. and Mrs. Anthony Pagliarulo of 16 Dadant Drive on April 9th at Melrose-Wakefield Hospital.

Grandparents are Mr. and Mrs. Leslie Johnson of Manhattan Ave., Batavia, N.Y.; and Mr. and Mrs. George Pagliarulo of East Eagle Street, East Boston.

MCCARTHY: Robert P. Jr., to Mr. and Mrs. Robert McCarthy of Morse Ave., on April 15 at Winchester Hospital.

Grandparents include: Mr. and Mrs. Charles Dolan of Mackey Rd., and Mr. and Mrs. Joseph McCarthy of Birchwood Rd.

HOLBROOK: Steven Joseph, to Mr. and Mrs. Robert W. Holbrook of 17 Kenwood Ave., at Lawrence Memorial Hospital, Medford on April 9th.

Grandparents include: Mr. and Mrs. Joseph Maillette, of Stoneham, and Mr. and Mrs. William Holbrook of Malden.

FOREST STREET CONGREGATIONAL CHURCH

Minister: Rev. Kenneth Savage. Sunday, April 25th: 9:45 a.m., Sunday School; 11:00 a.m., Morning Worship. Nursery available during church services.

LEGION AUXILIARY OFFICERS, 1971: At Fiftieth Anniversary party.

Seated, l to r: Chaplain Madeline Higganbotham; Junior Vice President Madeline Murray; President Pat MacFeeley; Senior Vice President Jean Moore and Secretary Joan Bradley.

Standing: Sgt. at Arms Lillian Vieira; and Executive Board Members Kay Maynard, Ruth Boudreau, Ann Knowlton and Betty Tebeau.

The officers went out and bought the foods, and then cooked it themselves. They started at 2 p.m.

Saturday, and when everyone sat down to dinner - well there it was. Mrs. Knowlton brought the Lasagna which she cooked at home, but the rest was cooked in the Legion Hall, by the President, Pat MacFeeley; Betty Tebeau, Joan Bradley, Madeline Murray and Madeline Higganbotham.

And then, in the second place, there was an Unexpected Guest, and that guest came during the Lights Out episode.

Somehow a short circuit developed in one of the electrical instruments. Guests declared that it was in the cash register that Ralph Zwicker was handling

every time he punched a number the lights would go out.

The ladies had already lit candles for the tables, so without lights it was perhaps more romantic - but the lights would go on again. And in the middle of it all the Unexpected Guest began to flit around - flit is the word.

How the pigeon got in no one knows, but just as the guests were going to start dinner, there it was. He did high dives, and low dives, right turns and left turns, and 180 degree turns. Some of the Legionnaires dashed off to capture Sir Pigeon (or was it Lady Pigeon?), who eventually ended up behind the piano and was duly declared a prisoner.

Ann Knowlton offered the pigeon a ticket, if it wanted to stay for dinner. The ticket refused, the pigeon was taken to a window and thrown out to freedom.

Lastly there was the dancing.

None of this business of couples standing and looking at each other and shaking - no sir! Good old fashioned polkas, waltzes and jazz, with a couple of Hully Gulleys thrown in by a good old fashioned orchestra with lots of umph umph!

It was a lovely party.

It is a rare adult who never experiences some form of arthritis or rheumatism. These diseases are extremely common and are among the oldest known to man.

Only in recent years has the magnitude of the health problem of arthritis and rheumatism been appreciated in the United States and throughout the world. As a result, a great deal of new knowledge, understanding, and treatment is available today. Medical scientists have discovered new leads in their search for the causes of various forms of arthritis.

Though cure is not available yet, treatment is generally satisfactory.

There are medications to ease the discomfort. Come to SILVER LAKE PHARMACY, 52 Main St., Tel. 658-4617. Cosmetics including Clairol.
